

Document you created as roadmap to the conversation – attached as ‘Heidi’s original conversation roadmap’

- (IF YOU WANT) storyboard you designed of main points. Currently uploading to Dropbox, I’ll send the link in a separate email
- ANY evidence re money trail either to or from the US ending up w the leaders. Or just being parked here in the US

Note: as you go through everything in this entire response you will consistently see things connecting back to the US. For this first ‘pull’ it’s hard to consistently isolate the info since it is so intertwined since everyone basically thinks they’re Norwegian or wants to be regardless of where they’re from. We were raised not to have flags or say the Pledge of Allegiance, we sang Norwegian folk songs or church songs instead and even had Norwegian flags and everyone learned Norwegian. (we are not Norwegian)

- Date of next Summer Conference and any details

· Summer conference is from July 13 2019 to August 9 2019

· Who is the Canadian witness and what can s/he add?

· **Not sure yet but he wouldn't speak for 'us.'** His name is Benjamin Oommen and he is still in BCC and is being summoned by the Dutch court to give evidence / answers about \$\$ questions the court has about BCC.

· You said there was a "final decision" reached on April 18 re Switzerland, Cyprus, and Canada. What is that?

- **Not sure yet**, waiting on an answer from a source but remember this is about Current developments on Jonathan van der Linden's court case in Netherlands and how it is shifting directly to the leaders as a separate case now since more questions about the money have been raised than answered and the leaders keep refusing to appear / testify

· Any article in any language that you think is relevant to this story.

Internal documents of paper trail and proofs: we’d have to talk more about which to track down and which would be most useful.

Can be provided:
